

## EARN. REDEEM. DONATE.

### BE APPRECIATED

Our passion is giving our customers the best. The best turf solutions, the best in technical support, and the best in ongoing research and development. Your success is our reward and we're committed to helping your operation grow and develop. This is also why we've developed GreenPartners, a loyalty program designed around enhancing your business.

### EARN

Each purchase you make gets a tangible reward with GreenPartners. Just purchase your qualifying Syngenta products (see point matrix below) through an authorized Syngenta product supplier and your points accrue, with no complicated forms or paperwork. You simply check your point balance online or wait for one of the quarterly statements that are mailed to your golf course. Plus, we offer special promotions throughout the year that can help you earn bonus points.

Qualifying Product	Units	GreenPartners Points

### REDEEM

When you are ready to redeem for a reward, we give you a selection of over 500 items to choose from. Whether it is new office equipment, travel or digital cameras, you can find business-building tools that make working with Syngenta even more valuable. It is as simple as logging in to [www.greenpartnersonline.ca](http://www.greenpartnersonline.ca) or calling 1-800-847-3592.

## DONATE

Syngenta has always been committed to the industries we serve. So when we designed GreenPartners, we built in an opportunity for you to do the same. Just select the industry association of your choice from our website. You can donate some or all of your points to that organization and **Syngenta will match your donation.** Donating points is a great way to stay involved, while keeping your cash freely available for advancing your operation. The following associations are currently registered to receive donations:

- Canadian Golf Superintendents Association
- Ontario Golf Superintendents Association
- Western Canada Turfgrass Association
